## **Topic Homework (Autumn 1<sup>st</sup> half term)**

Dear Parents,

For the children's topic homework this half term, I would like them to tell me **all about themselves**. In order to do this, I will give them until Wednesday 18<sup>th</sup> October. The children can include any information that they feel is relevant and they can present this in any way they want. Examples of the information that they could include are family information; hobbies that they like to do out of school; favourite books, films etc; ambitions for the future or generally anything that they want to tell me about themselves. I have deliberately allowed the children to present this in any way they want to so they can show off what they are good at. Saying this, I would expect the children to spend around 30 minutes per week doing this. Therefore, this should be reflected in their finished piece of work.

I will mark their work for effort, presentation and content included.

If you have any questions regarding this matter, please do not hesitate to contact me.

Yours sincerely,

Mr P. Chesworth.
