

Where Learning is Fun

Parents' and Teachers' Association

Newsletter March 2017

Where Learning is Fun

Welcome to your PTA Newsletter!

By creating this newsletter we hope to keep everyone informed about events, fundraising and other PTA issues relating to our school.

We would like to welcome members, parents and helpers and continue to welcome your ideas, suggestions and support. So please come and join us!

Our next PTA meet up is Tuesday 4th April, 8pm at the Cherry Tree.

Film Night!

What a success!

It was lovely to see all of the children enjoying 'Trolls'. It was a busy evening for staff and helpers, but thank you to the children for their great behaviour! With your support we raised £220!

Y4 Cake Sale!

Thank you to all who donated cakes and to those who bought them. We raised £84.65!

Over the last year, with your help, we have continued to raise money and as a result have been able to contribute to the

Roald Dahl Book benches
Two SMART Boards
New iPads
Thank you!

For up to date information please refer to the PTA page on the schools website.

Thank you to Sainsbury's and the COOP who supported us on film night.
