Data

Due to new GDPR guidelines, we have sent out to each child (apart from Y6) a new data collection booklet.

We had a competition to win £50 last week, this was won by a Parent in Y3.

Please return your child's completed data collection booklet back as soon as possible.

If your contact details have changed please inform the office so that we are able to make contact in the case of an emergency.

Weather

Please make sure that your child has a water bottle and a hat in school. Please apply sunscreen liberally before school and send in sunscreen if it will need re-applying. There are once a day options available which will ensure that your child is fully protected in the extremely warm weather we are currently experiencing.

The children have access to fresh, filtered cold water throughout the day from our water coolers.

Water bottles are available from the office, £1 each.

Please only fill them with water.
