Foundation & Year 3

“Warrington Oral Health Promotion Team are currently working with the Primary schools in Warrington to set up a Toothpaste and Toothbrush distribution scheme. This is being offered to all Reception and Year 3 children. Our main focus will be promoting the use of family fluoride toothpaste amongst young children, as there is clear evidence to support the effectiveness of fluoride in reducing dental decay. (Delivering Better Oral Health; DOH 2009)

There is no fluoride added to the water supply in Warrington. Many young children in Warrington still experience high levels of tooth decay. Associated with this is severe pain, sleepless nights, time off school to attend the dentist and often removal of teeth. We aim to encourage young children to become more independent and take more responsibility for their health. All children taking part will be provided with toothbrush, toothpaste and an information leaflet and will receive one pack every 3 months.”

Y6 Hoodies

Details have been emailed home. Please return the order form and money as soon as possible if your child would like to order one.

Sport

Junior Park run is a great way for your child to start running. Held at Orford Hub, every Sunday at 9am. You must register before you attend to get your barcode.
