Where Learning is Fun!

Y4 & Y5 Swimming

Swimming has now finished for the children in Year 4 & Year 5. We hope they have enjoyed completing the intensive course and have learnt some new skills.

CPS

The CPS are once again holding a Zoo event at the shopping centre on the 9th July.

Flyers with more information will be sent out next week.

It's a popular event and it's all free!

Science Festival

Y3 & Y6 have gone to Preston today to take part in the annual Science Festival.

Data Collection sheets Y3 – Y5

Can you please send back your updated data collection sheets as soon as possible to the office.

Absence

It is very important that we know where your child is and that they are safe.

If they are going to be absent from school, please inform the office by 8.30am or leave a message on the voicemail.

Tempest Photos

Please can you return all class, individual and family photos by Wednesday. They are being collected at 8.30am on Thursday morning. If you miss the deadline, you will need to pay extra for postage.

Non-uniform Day

We will be having a non-uniform day on Thursday 14th July in return for donations for our Summer Fair. These stalls are always very popular and help us to raise money to help fund activities for all of your children across the academic year.

Summer Fair

We will be holding our annual Summer Fair on Friday 15th July after school. There will be games, stalls, tombola and refreshments for everyone to enjoy. Y6 are currently designing a range of children's games to ensure that there is lots to entertain all ages at the fair.

If you would like to book a stall, please contact the office.

We are asking local businesses for donations for our raffle prizes. If you know anyone that can donate a prize, please let us know – thank you

Foundation & Year 3

Your child will receive a toothbrush pack on Monday.

“Warrington Oral Health Promotion Team are currently working with the Primary schools in Warrington to set up a Toothpaste and Toothbrush distribution scheme. This is being offered to all Reception and Year 3 children. Our main focus will be promoting the use of family fluoride toothpaste amongst young children, as there is clear evidence to support the effectiveness of fluoride in reducing dental decay. (Delivering Better Oral Health; DOH 2009)

There is no fluoride added to the water supply in Warrington. Many young children in Warrington still experience high levels of tooth decay. Associated with this is severe pain, sleepless nights, time off school to attend the dentist and often removal of teeth. We aim to encourage young children to become more independent and take more responsibility for their health. All children taking part will be provided with toothbrush, toothpaste and an information leaflet and will receive one pack every 3 months.

A member of the oral health promotion team will be available to help set up the programme and address any issues or concerns raised by parents and staff”

School meals & snack

A polite reminder that school meals are £2.20 and snack is 50p per day, per child.

Please help Ruth in the kitchen by paying up front for the week or pay each day.

Money pockets are available from the office.

Direct debit forms are also available if you wish to set up a direct debit starting in September. This is the quickest method of payment and also gives you 15 free meals over the year.

Bradshaw Race

Good luck to our Y2 and Y3 teams who are taking part in the race at Bradshaw Primary on Tuesday.

Please note if you are driving to the event that parking can be extremely tricky so you will need to allow plenty of time. If possible, please park on the Springbrook pub car park and walk.

Attendance w/e 1st July 2016

Reception	96.1%
Year 1	95.2%
Year 2	94.2%
Year 3	94.1%
