Where Learning is Fun!

## Sports Relief – It's not too late!!

We will be taking registration to run on Sunday, on the day itself

We had a non-uniform day today and will be having a cake sale after school. The total amount raised so far is over £250.00.

Thank you for your support and to everybody who donated and / or made cakes.

## Fashion Show – Simone's Wardrobe

We enjoyed a great event at our fashion show on Wednesday – it was a wonderful way to support our school, raise funds for our children and shop at the same time!!

Thank you to everybody who came and supported school. We hope that you had as much fun as we did.

The PTA and school raised £375.90.

We are planning to repeat this event with a full events bar licence in May or June.

## E safety Parent Talk

We are holding an E-safety Parent/Carer talk at 6pm on Tuesday 19<sup>th</sup> April.

This is following on from the information we had available at Parents evening.

We would like as many people to attend as possible, as we feel that this is very important and a chance for you all to find out a bit more information about the way the internet works.

Please note: we do not have provision for children to attend.

## KS2 Liverpool Philharmonic

KS2 went to the Liverpool Philharmonic Hall on Tuesday. They enjoyed listening to a wide range of music performed by a live orchestra.

All of the children and staff who took part thoroughly enjoyed this educational experience.

## Science Boffins!

We have had a fabulous science event in school today. All of the children watched the assembly where some magical chemistry exploring change of matter was demonstrated.

Y4-6 experimented in the morning making clouds of dry ice.

Y1-Y3 investigated effects of a plasma ball in the afternoon.

All of the school enjoyed the launch of the high powered rocket this afternoon.

We hope that we have inspired some young Chemists of the future!

Thank you for your continued support.
