Where Learning is Fun!

Sports Relief

We are delighted to have been chosen to run a fourth Sport Relief event on Sunday 20th March.

This year we are planning to have a 'Farmer's Market' event running alongside the run and hope to have record attendance to raise money for this worthwhile cause. If you would like to run a stall, please let the office know.

If you would like to run, walk or skip for your choice of 1,3 or 5 miles at the event, **please register now** on www.sportrelief.com

High 5 Netball Tournament

On Wednesday 3rd February, Year 6 were invited to a netball tournament at Culcheth High. We played 3 other teams, Twiss Green, St Lewis and Croft. We won all our matches which means that Culcheth go to the Warrington finals!

Aspirations Day

On Tuesday 8th March, we will be holding an 'Aspirations Day' to inspire our children by learning more about jobs and careers that may be open to them in the future.

If you would like to volunteer to come in on the day and speak to the children about the job you do, including the training and qualifications that are involved, please contact the office.

Parents evening

Our Spring term Parents evening on Wednesday 10th February.

This year we will have some additional events in the hall. You will be able to look at the materials we plan to use in our Sex and Relationships teaching from Easter as part of a **parent consultation**.

Our school nurse and Detective Superintendent Rawlinson from GMP will be available to discuss any concerns that you may have.

We will also have all **lost property** out on display to reclaim.

Our wonderful school cook, Ruth, will be providing **tasters of our school lunch menus** and will be available for a chat if you have any questions for her.

This year we are asking parents to compete the **questionnaire online** in the hall on a laptop directly to Parent View, the official Ofsted site

E Safety Day- 9th February

On Tuesday 9th February 'Pick and Mix' Theatre will be working with Y2-Y6 to teach them about E-Safety in a fun and interactive way.

We will be following up on this work by offering a parents information evening on E Safety which will help you to ensure that your child is safe online.

There was a very informative programme called 'Murder Games' (BBC 3) about a true case of a child groomed through gaming sites. This is available on catch up and is essential viewing for the parents of children who take part in online gaming.
