Where Learning is Fun!

Dear Parents and Carers,

I am writing to confirm the arrangements for the return of children to school.

Y1, Reception and Y6 will return next week as originally planned.

We are still awaiting clarification from the local authority and the DfE about the return of other groups. Please bear with us – we will be in touch as soon as we are advised whether we are allowed to have all year groups in school or just the priority groups above. This uncertainty has been caused by the recent announcement of the change in Government policy and may mean that our original plans have to be changed.

We understand that this is not ideal and apologise for any inconvenience that may have been caused.

Kind regards

Mrs Dodd
