Phonics and Early Reading at Culcheth Community Primary School

At Culcheth Community Primary School we ensure that all children have access to a vigorous programme of phonic work which is securely embedded within a broad and language-rich curriculum. The children are taught short daily discrete phonics sessions that fire their interest and engage them in multi-sensory activities. We ensure that all children are praised for effort and achievement throughout their phonics experiences. Alongside this, we ensure that we nurture positive attitudes to reading and writing and the skills associated with it. Because our writing system is alphabetic, we ensure that the children are taught how the letters of the alphabet, singly or in combination, represent the sounds of spoken language (letter-sound correspondence) and how to blend (synthesise) the sounds to read the words, and break up (segment) the sounds in words to spell. We ensure that high quality phonics lessons are followed consistently and carefully each day, reinforcing and building on previous learning to secure children's progress. Throughout phonics sessions we assess the children regularly, ensuring that we identify strengths and weaknesses in children's knowledge, skills and understanding. Many elements of phonic knowledge are assessed including the recognition of letters (and groups of letters such as diagraphs), the ability to sound of phonemes, the ability to hear and blend phonemes, the reading of phonically regular words and the reading of some irregular words. This ensures that the planned work is well matched to children's needs. We also assess phonics using the "Letters and Sounds" booklet which highlights specific digraphs for the children to learn and also identifies unknown Common Exception Words. This ensures that any gaps in achievement can be spotted early and the progress of these children tracked to ensure they receive appropriate and sustained support. Children in Year 2 – Year 6 are taught phonics and spelling through the "Read Write Inc" spelling programme.

Year Group	Phonics	Early Reading	Interventions
	Many children in Reception will have experienced phase 1 phonics in their Nursery year. This is continued at the beginning of reception and throughout the Autumn Term if required. Phase 1 Environmental sounds - develop listening and awareness of sounds, listening and remembering sounds and talking about sounds. Instrumental sounds - develop awareness of instrument sounds, appreciate the difference between instrument sounds and others and use a wider vocabulary to talk about sounds. Body Percussion - develop awareness of sound and rhythms, recall patterns of sounds and talk about sounds we can make with our bodies. Rhythm and Rhyme - experience rhythm and rhyme, develop awareness of rhythm and rhyme within speech and to increase awareness of rhyming words. Alliteration - develop understanding of alliteration, hear the difference between different starting sounds within words and explore how different sounds are articulated. Voice Sounds - distinguish between different vocal sounds (including oral blending and segmenting), explore speech sounds and talk about different sounds we can make with our voices. Phase 2 (6 weeks during the Autumn Term of Reception) Children to be taught the phase 2 phonemes in the following order alongside the written grapheme. Set 1 – s, a, t, p Set 2 - i, n, m, d Set 3 – g, o, c, k Set 4 – ck, e, u, r Set 5 – h, b, f, ff, l, ll, ss Children to be taught to orally blend and segment CVC words using the phase 2 phonemes.	Children to start on Lilac level (picture books) and to move through the book bands throughout the year depending on benchmarking results. It is expected that children will move from Lilac to Pink then Red and to finish their reception year on Yellow. Children in Reception take home a phonics book and a reading book. These are changed twice a week. All of the children in Reception have got access to Lexia which is tailored to their specific needs in phonics and early reading.	Throughout the year the children are grouped for phonics in order to meet their differing needs All reading by 6 is used as an intervention towards the end of Reception. Beanstalk volunteers to support chosen children with their reading throughout the school year.
