

### Covid Precautions

Unfortunately, covid cases are rising again and we have been asked to take some additional precautions by Warrington Borough Council.

From Monday, we are going to return to online assemblies so that we do not have the whole school mixing together in a confined space.

We have also changed Decoration Day plans slightly. We are NOT mixing classes this year. We are asking for only one adult per child – if you have more than one child, you will be able to go to both classes, or send one adult for each child. We are inviting parents to stay until 12 noon.

Our Christmas Fair will have a very different look – we have moved it totally outside so that we do not have large numbers of people in a confined space. It will be more like a Christmas market with lots of outdoor stalls. We will be serving hot roast turkey rolls and chips from our kitchen and will have a live singer to entertain us. Although it will be different, we hope that you will really enjoy it.

We will also be holding our raffle online this year – more details to follow.

We thank you, as always, for your support. We will still be having a Xmas Lunch, parties in key stages and we will enjoy a special visit from a magician. We hope to make Christmas as magical and special for our lovely children as we can.

### Christmas Card Orders

Christmas card orders have now been placed and will be sent home with your child.
