Where Learning is Fun!

Farewell to Year 6

We wish all our Year 6 children the very best of luck at High School, we will miss you all!

There is a beautiful farewell video on the website and Facebook that Miss Knowles has made – lovely memories of all our special children.

We hope to invite you all to a farewell party when we are allowed to do so: it will be a special reunion for us all.

Year 6 Leavers Hoodies

You can now purchase a leavers hoodie via Touchline. You will need to choose size, colour and pay for the item online.

Holidays – October 2021

The Governors have agreed that we will have 2 weeks holiday at October half term in 2021 from October 24th until November 8th. We hope that this will allow you to book super cheap holidays – the further in advance that you book, the better.

A quick example is a midweek family stay at Centreparks, Whinfell Forest is showing at £959 to book in the regular half term week, but in the second week it is reduced to £379! (Just an example – we are not trying to sell holidays!)

We are always looking at ways to improve our attendance and hope that this opportunity to book out of usual school holiday time will be a great benefit to you.

Reading challenge

This year's summer reading challenge is all taking place online and the children will need to sign up to 'Join the Silly Squad' and take part.

They can then pick their own Avatar, discover books to read, play games, earn points and unlock badges throughout the challenges. The children can read any books of their choosing including ebooks on our school Oxford Reading Buddy account.

When they have read a book, they can add the title to their list to unlock badges, games and earn points. There will be a certificate to download and keep when the children make it all the way to their goal!

The children can keep us updated by sending an email to Mrs Gorman at: nicolagorman@culchethprimary.co.uk
