Get to School on Time!

Please ensure that your child is on time for school. Registers are taken at 8.55am; please be prompt to ensure your child does not miss the start of lessons.

The school opens at 8.40am to give children a chance to have a catch up with their friends and also for the teachers to have a quick chat about any lessons that may have been tricky the day before. This time is really valuable for your child to get the very best from school.
