World Book Day Theme: Little People, Big Dreams

This year, we will be focusing on the incredible stories of real-life individuals from diverse backgrounds and industries who have made a positive impact on the world.

As part of the celebration, children are invited to come to school dressed as:

- An inspirational person featured in the Little People, Big Dreams series (a list of individuals has been emailed to you.)
- Someone who works in a vocation they find inspiring (e.g. a scientist, artist, or athlete),
- Any inspirational figure from history, science, art, literature, or any field they admire.

Costumes can be as simple or creative as you like, and we encourage using items you already have at home.

Thank you for your support in making this year's World Book Day a meaningful and memorable experience.

Defibs in school

We are lucky enough to have 2 defibrillators in school and have them registered with the National Defibrillator Network.

This now means that if anyone needs a defib urgently, they can come to school during opening hours in an emergency. Defibs are a life saver so we feel this is really important for all to know.
