Where Learning is Fun!

Covid Testing School

The full details of the study have been sent out by email. If you have not already done so, you will need to register your child if you would like them to be tested as part of the study – no one will be tested who is not registered. The deadline for registration is Thursday 12th November.

The tests are very simple and NOT like the tests that are carried out at testing centres. The antibody test is taken by sucking on a sponge lollipop. The Covid test is taken by a low swab, just inside the nostril, with a swab resembling a cotton bud.

There is a helpline to answer any queries that you may have: 0800 971 9679

You can also email them at:
schoolinfectionsurvey@nhs.net

Thank you
