School Games Award

Myself and the PE link Governor (Mrs McCreedy) have completed the application form for 'The School Games Mark Award'. It is a Government led awards scheme launched in 2012 to reward schools for their commitment to the development of competition across their school and into the community. Schools in England are able to assess themselves across bronze, silver and gold levels. The Mark is a retrospective award which will validate our success over the ongoing academic year. We are aiming to achieve Gold!
