Where Learning is Fun!

Plans to return to School

Year 1, Reception and Year 6 have returned this week.

Year 6 will officially finish on Friday 26th June.

Year 5 and Year 3 will return on Monday 29th June.

Year 4 and Year 2 will return on Monday 6th July.

Almost all classes are now fully filled, as we are only allowed groups of 15.

Our key worker places have now all been allocated. We are now not in a position to offer any more key worker places as our groups are now at full capacity.

Please contact us if you have any concerns or worries. We will do our utmost to help every family in our school.

Welcome back

What a great week we've had welcoming our first classes back. Our children are superstars and it's lovely to be back together with them.

We look forward to seeing our other classes in the next two weeks.

Arts Week

We hope you all enjoyed Arts Week. It was great to see all your children's creations – very talented!

Thank you to Miss Wardle for making this happen!

Items to bring to School

If your child brings a **packed lunch** to school, please ensure it is in a **disposable bag** and not a lunch box at present.

Children just need a **coat, snack and water bottle** please. Please do not send any other items into school – this is to prevent possible sources of infection.

School Games Award

We are delighted to have been awarded the 2019-2020 School Games Recognition Certificate for our continued commitment and achievement to the School Games Programme during the Autumn, Spring and Summer Term.
