Plans to return to School

We are delighted to be writing our newsletter again as we start to get school back up and running again.

You should have all received a letter by email regarding your child returning to school. If you have any questions or suggestions, please do contact us at school.

Every child who has requested a place has been accommodated and all key worker children have had full time places where required.

We have detailed plans in place for re-opening. There is a Covid-19 tab on our website with more information, including our risk assessment.

No trips or visits will take place before summer.

Visitors to school will be very limited and we are asking parents not to come into school please. Staff will be available to speak to when you drop off and pick up your child.

Please be prompt for both pick up and drop off as we are trying to minimise the number of people on site by having staggered drop off and pick up times.

We thank you for your patience as we try to put complicated plans in place. We will review them regularly to ensure we stay as safe as possible.

If your child brings a packed lunch to school, please ensure it is in a disposable bag and not a lunch box at present. Thanks

Virtual Sports Day

We want to thank each and every child, parent and staff member for taking part in our fabulous 'Virtual Sports Day' on Wednesday.

This is the first time we have ever had to do this but we are so pleased that everyone made such an effort at home.

The pictures and videos were amazing and we tried to put as many on our Facebook page as possible.

Well done to Year 2 who were the winners!

The Warrington Guardian will be running a story on our sports day!
