Where Learning is Fun!

Covid Positive Cases

We have been advised to close Year 3, 4 and 5 due to 3 positive cases of Covid. These children are now in isolation for 14 days and will return to school on Tuesday 1st December.

Any siblings of the children in isolation can come to school as normal, providing there are no symptoms present within the household.

Covid Testing School

We have decided that the school will no longer be part of the testing programme.

When we agreed to be part of the study, we felt that it would help to strongly protect our school population and the local community.

However, after the first round, we realise that getting positive results when the children have remained in school for three days is not of any value and will not reduce cases in school.

We will continue to remain vigilant in school, to have thorough deep cleans and a reduction in shared materials as well as keeping bubbles apart.

Reminder - School Photos

The deadline to order your child's school photograph is today - **Friday 20th November**.

You can order online if you prefer. Each picture will have a unique number and there are instructions how to order online. Thanks
